- [FEI Final Competition for 6-year-old horses \(Edition 2004 - update 2022 valid from 01/01/2022\)](#)

1.6 EEF Dressage Evolution League - Mixed team competition:

The Mixed Team competition was introduced in 2019 and was supported by FEI and EEF. The teams are composed by a child, a junior and young rider (or senior).

The advantage of the proposed format is that easier to compose teams, which is important for the Balkan Region.

* The Mixed Team competition will be held the day before the Final of BDL.

1.7 Mixed Team Competition - tests:

- Children
 - [FEI Children Preliminary Competition A \(Edition 2020 - update 2022 valid from 01/01/2022\)](#)
- Juniors
 - [FEI Junior Preliminary Competition \(Edition 2009 - update 2022 valid from 01/01/2022\)](#)
- Young Riders
 - [FEI Young riders Preliminary Competition \(Edition 2009 - update 2022 valid from 01/01/2022\)](#)
- Seniors
 - [FEI Young riders Preliminary Competition \(Edition 2009 - update 2022 valid from 01/01/2022\)](#)

1.8 The age of the horses and riders participating in the Balkan Dressage League and the accompanying tournaments must be in accordance with the FEI rules for the respective category.

1.9 All horses participating in the Balkan Dressage League and the accompanying tournaments must have valid vaccinations for Influenza in horses (maximum 6 months + 21 days) and a negative Coggins Test for a period not exceeding one year.

ART. 2 – GOALS

2.1 The goals of the events are the following:

- improvement of the athletes from the Balkan region in the discipline of dressage in a competitive environment
- development of the dressage discipline in the region
- development of new team and individual formats for the dressage discipline

- achieving higher results in the dressage discipline of athletes from the region

ART. 3 – QUALIFICATION/POINTS

3.1 Every athlete/horse combination will be awarded with points for every completed test during the Qualifying events and the Final.

3.2 The points are awarded according the following scale:

Result in percentage	Qualification	Final
Up to 50%	2 points	4 points
From 50,001% to 54%	3 points	6 points
From 54,001% to 58%	4 points	8 points
From 58,001% to 62%	5 points	10 points
From 62,001% to 66%	6 points	11 points
From 66,001% to 70%	7 points	12 points
From 70,001% to 74%	8 points	13 points
From 74,001% to 78%	9 points	14 points
More than 78%	10 points	15 points

3.3 Additionally, every athlete/horse combination will receive:

- a. 2 points for every test which is completed at a Qualifying Event and
- b. 4 points for every test which is completed at the Final

3.4 Only athlete/ horse combinations that have completed at least one test at two different Qualifying Events are eligible to take part at the Final.

3.5 The points awarded at the Final are double than the points at the Qualification (see the table at Art. 3.2.)

3.6 Participation at the Accompanying categories does not bring point for BDL. Athletes cannot be qualified for the Final of BDL with participation at the Accompanying categories. Horse who takes part at an Accompanying category and at the same week take part at Qualifying event with the same or different athlete is eligible to bring points for the BDL.

3.7 The points for BDL are allocated to athlete / horse combination. An athlete can take part with two horses at every Qualifying Event.

If an athlete is qualified with more than one horses for the Final, he/she has to choose which horse will take part at the Final.

If at Second Qualifying event an athlete who has started at the First Qualifying event starts with new horse, or a horse that has started at the First Qualifying event starts with new athlete they will be considered as new combinations.

3.8. A horse is entitled to take part in a maximum of two trials with two different riders in two different categories per day. Each tandem receives points according to the rules of art.3.3 and art.3.9. Only one of the two tandems will be able to participate in the League final.

3.9. If applicable the score of every athlete/ horse combination who take at a Qualifying will be:

Points for QE Test Day 1:	according art.3.2
+ Points for completed Test Day 1:	2 points
+ Points for QE Test Day 2: art.3.2	according art.3.2
+ Points for completed Test Day 3:	2 points

TOTAL SCORE at a Qualifying event

The athlete / horse combination will start the Final with accumulation of the two best TOTAL SCORES after the three Qualifying events.

If applicable the score of every athlete/ horse combination at the Final will be:

Points for Final Test Day 1:	according art.3.2
+ Points for completed Test Day 1:	4 points
+ Points for Final Test Day 2: art.3.2	according art.3.2
+ Points for completed Test Day 2:	4 points
Points for Final Test Day 3: art.3.2	according art.3.2
+ Points for completed Test Day 3:	4 points

TOTAL SCORE at the FINAL

For every category Champion of BDL is Athlete / Horse combination who has highest score after collecting:

The two best TOTAL SCORES after the three Qualifying events
+ TOTAL SCORE at the FINAL

TOTAL FINAL SCORE for BDL

If two or more combinations have equal TOTAL FINAL SCORE for BDL, deciding factor for the ranking will be will be the TOTAL SCORE at the FINAL.

If there is still a tie equality second deciding factor will be the results at the test of day 3 at the Final.

These criteria will determine the BDL Champion, second and third place winners at every category.
